BREAKING NEWS AT CENTRAL PRIMARY

The start to the New Year has brought changes in our school and we are excited to begin the 2nd half of our year with a new principal Ms. Jena Arambula. We also have a new librarian Ms. Libby Slater and a new second grade Teacher Ms. Jennifer Masters. We also have a new schedule for this semester which includes recess time for all grades and modified PE times. We ask parents to please make sure that your students are dressed warm for recesses. These schedule changes will begin on January 16th. We are all excited about the new changes here at Central Primary. If you have any questions or concerns, please let us know how we can help you!

Jena Arambula, Principal
