For the safety of our students, we DO NOT accept any requests by phone for student checkouts! Parent written notes, emails or faxes will be accepted. Without proper authorization your student will follow his/her regular transportation of returning home. All checkouts must be approved through office only, Teachers cannot change transportation.

Central Primary has stopped EARLY CHECKOUT from 2:30-3:00 pm to ensure student safety. Teacher's are ending the instruction day and staging students in Bus Lines, Parent Pick up Lines and Crosswalk students during this time. Our staff shares the responsibility for every student to be safely loaded on bus, parent pick up or escorted to crosswalks.

#### Identification required for Student Check-Out

When a student is being checked out of our schools the parent or guardian should be required to present a photo ID in order to check their student out. This assures that we are not releasing a student to someone who is not on the list of those allowed to check them out. Even if we know the person we should still request the ID so that the parents are familiar with our procedure and always have their ID available.
